

# INCLUSION STATEMENT

Each one of us has been created by God for a special purpose and is therefore uniquely special. Together we pray, grow and learn in the footsteps of Jesus.

In the Hard Federation of St. Joseph's Schools we actively promote our policy of Inclusion.

We strive to meet the needs of our full community – children and adults.

We are an educationally inclusive school in which the teaching and learning, achievements, attitudes and well-being of each person matters.

We seek to identify and minimise barriers to learning and participation so that every individual may fill his/her potential to the highest possible standards so that all, for the benefit of all, are able to shape their destinies and create a better world.

We welcome *you* to our schools.
