

Statement of Values

Together, we provide opportunities to secure economic well-being

Together we celebrate success

Together, in our learning, we develop our values of enthusiasm, enjoyment and engagement

Together, we provide opportunities and encourage life-long positive contribution to community and society

Mission Statement

At St Joseph's School we learn to know, love and follow Jesus Christ. In our learning, we seek to develop the potential given to us by God. We encourage care and respect for each other in this community and the wider world.

Together, we promote and develop our values of healthy lifestyles and habits

Together, we promote equal opportunities and racial and cultural harmony

Together, we develop our values of personal and social skills

Together, we encourage life-long learning

Together, we promote spiritual and moral development

Together, we learn about keeping safe and well-being awareness

Together, we provide an education in the Catholic tradition, supporting each child on their faith journey.

Together, we learn about safeguarding and protecting children

Together, we promote enjoyment and encourage personal achievement

Together, we are a worshipping community

Together, we encourage good citizenship
